Fund Overview

Manchester Investments Inc. (Manchester) was established in 2009 and has been offering its shareholders a simple and reliable stream of investment income ever since. Manchester's investment strategy is to buy low risk private residential mortgages from the mortgage origination groups (Alpine Credits & Sequence Capital). This commitment to best in class investing practices has resulted in above average yield since inception while maintaining a low risk portfolio of mortgages. MII offers its shareholders an excellent investment option that is centered on primarily residential first mortgage investments, capital preservation, and a stable return.
